

Hello Golfers,

We are not out of the woods yet with the Covid 19 virus here in Ontario but each day now we are hearing positive news that we are getting closer to flattening the curve.

Things appear better in some of the hot spots in the United States and hopefully very soon in Canada. Some places like British Columbia have played golf through this crisis and we hope to be playing soon as well. Taiwan, China, South Korea and Norway are starting to loosen their restrictions as they have gotten the virus under control. It has taken them 100 days or so to do that.

We are trusting that time frame will apply to us as well. In saying that we will optimistically say by May 15th we will try to open. The course will be ready, and the staff is awaiting your return.

Thank you to the members that have paid their dues it is much appreciated. We do need more revenues and those who can now see the light on the other side can call us at the club and we will assist you with your payments.

Our web site is a great spot to go to get updated information and your fees for 2020. Rates will be held on the early bird till May 1st. www.renfrewgolf.com. Note our times to call.

Payments can be made by cheque and sent to box 276 Renfrew On, K7V 4A4. We accept e-transfer at accounts@renfrewgolf.com or credit card by calling the club. 613 432 2485 ext 229.

The National Golf Course Owners Association is keeping a close eye on the situation, they will advise when it is safe to play in Ontario through the essential and non essential listings. We will not rush into anything recklessly, but we remain hopeful the date to open will be in May.

Stay Safe,

Phil
