# INTRODUCTION

We are proud to offer an outstanding golf experience in a tranquil, beautiful, and friendly environment. We invite you to consider the benefits provided in becoming a Member at our Club.

In recent years the Renfrew Golf Club's mandate has been to offer flexibility and options in membership and frequent play programming. We continue to instill the value of membership. We are currently offering several convenient options for incoming new members to choose from.

**New additions for 2022** include our Trial Membership, 5 Day Twilight play pass, Social Passes and community Family Social programs as well as new programming that we are bringing to the Renfrew community.

We are focused on growing our facility through community, family and golf. Golf is a game for life and Renfrew Golf Club is a great place to enjoy it!

# RENFREW GOLF CLUB HISTORY

As we embark into our 93rd season we always cherish our rich history. The formation of golf in Renfrew dates back to the original property which was owned and farmed by the Peever Family as early as 1825. Their home, the Old Stone House, once stood as a monument and paid homage to our past. Today, this landmark remains with us as our logo that reminds us of our past and the people who literally laid the groundwork for our success today!

Golf in Renfrew dates back to 1929 with the official formation of the Renfrew Golf Club. Imagine the Old Stone House, which stood between the 18th fairway and the 10th tee, back then men with teams of horses pulling stumps and routing the original 9 holes. The Project was spearheaded by the clubs inaugural President, Mr. H.A. Jordan, Mr. M.T. Duggan and Mr. M.J. O'Brien. George Cumming and Melville Millar, both of Toronto were hired as architects for the original nine also known today as the "back nine".

Many years passed and in 1973 our current "front nine" came into play through course architect Owen Scott of Guelph, Ontario. Since our inception our club has matured and has been known for its outstanding layout and test to golfers of all abilities.

In 2000 all 18 green complexes were redesigned with large and challenging grass surfaces, new free-from bunkers, characteristic mounding and rolling surrounds. And thus our tradition moves forward to today!

We look forward to hosting you in the future as we continue to build on our rich history. For further information on our comprehensive Membership offerings at the Renfrew Golf Club please contact;
