

2024 MEMBERSHIP INFORMATION

***RENFREW'S PREMIUM GOLF
DESTINATION***

“Escape to the Renfrew Golf Club”

INTRODUCTION

We are proud to offer the best playing conditions and member centric experience in the Ottawa Valley. We invite you to consider the benefits provided in becoming a Member at our Club.

In recent years the Renfrew Golf Club's focus has been on promoting growth of our membership and building a golf centric community. We continue to instill the value of membership and will not limit our members golfing rounds during the season. We are currently offering several convenient options for incoming new members to choose from.

New additions for 2024 include monthly equal billing, a unique early payment incentive known as the RGC Incentive Card that provides a host of free items, great discounts and member experiences valued at **\$300**. We are focused on growing our facility through community, family and golf. Golf is a game for life and Renfrew Golf Club is a great place to enjoy it!

RENFREW GOLF CLUB HISTORY

As we embark into our 94th season we always cherish our rich history. The formation of golf in Renfrew dates back to the original property which was owned and farmed by the Peever Family as early as 1825. Their home, the Old Stone House, once stood as a monument and paid homage to our past. Today, this landmark remains with us as our logo that reminds us of our past and the people who literally laid the groundwork for our success today!

Golf in Renfrew dates back to 1929 with the official formation of the Renfrew Golf Club. Imagine the Old Stone House, which stood between the 18th fairway and the 10th tee, back then men with teams of horses pulling stumps and routing the original 9 holes. The Project was spearheaded by the clubs inaugural President, Mr. H.A. Jordan, Mr. M.T. Duggan and Mr. M.J. O'Brien. George Cumming and Melville Millar, both of Toronto were hired as architects for the original nine also known today as the "back nine".

Many years passed and in 1973 our current "front nine" came into play through course architect Owen Scott of Guelph, Ontario. Since our inception our club has matured and has been known for its outstanding layout and test to golfers of all abilities.

In 2000 all 18 green complexes were redesigned with large and challenging grass surfaces, new free form bunkers, characteristic mounding and rolling surrounds. And thus our tradition moves forward to today!

We look forward to hosting you in the future as we continue to build on our rich history. For further information on our comprehensive Membership offerings at the Renfrew Golf Club please contact;

WINTER GOLF PROGRAM

Play Golf all year long!

At Renfrew Golf Club we aspire to be the leaders of golf in our community 12 months a year. That's why we have planned to offer you play all year long. Indoor Golf returns this fall at Renfrew Golf Club.

Enjoy simulator play with your fellow members at the best rates available.

RGC Member Rate: \$40/hour

Public Rate \$45/hour

Lesson Packages &
Tailored Teaching Programs
Available

Member rates \$50/ 30 Minutes

Public \$65/ 30 Minutes

Our golf simulators give you the best possible virtual driving range experience. The new e6 Connect software version offers several fields of practice depending on the shots you want to make.

Flat range: Perfect for the driver or warming up before a game.

Large target: With island greens, at different distances and in different formats.

Small target: This range is made up of raised greens ideal for practicing the precision of your wedges and short irons. Targets are positioned from 25 yards.

Shot shape: A range with targets of different sizes placed on either side of a central row of sand traps. The ideal setup for practicing draw and fade trajectory effects.
